Eagles' Staff

Achieving your goals is one indication of success, but success can be measured in a number of ways. Building friendships, working with others and creating life long memories are great ways to define one's success.

As you look through the pages of this book, take the time to cherish the memories and reflect on the past. The moments captured in the photos are snap shots of time, but they will last a lifetime. Hopefully the time that you have spent as a student at Steele Heights has been rewarding and gratifying for you and you take pride in the fact that you know that you will always be an Eagle.

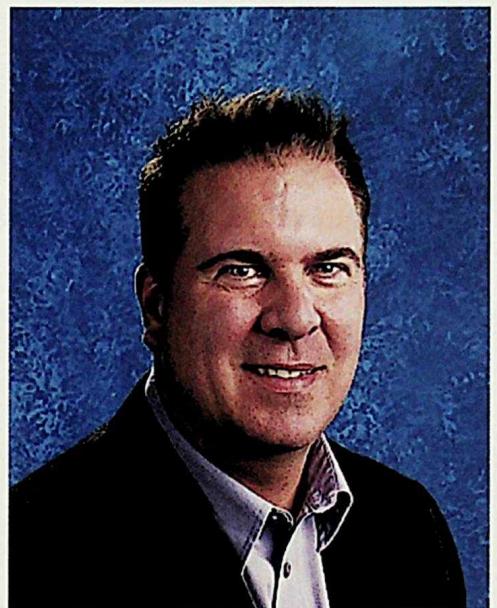

It has been a pleasure and an honor working with you as the principal of Steele Heights and I hope that you had a very rewarding and successful school year. Your commitment to "building a positive community together" at Steele Heights is very much appreciated

by the staff of Steele Heights. Thank you for being a part of our history.

"What you can achieve is limited solely by your imagination. If you can dream it, you can do it."
— anonymous

May you live each day with this quote in mind and reap the rewards that life has to offer. All the best and good luck as you make your dreams come true!
